Re: Consolidated Freedom of Information Act (FOIA) requests regarding the Pavillion Field Area (FOIA Request Number 08-FOI-00114-12)

Dear Ms. Brown:

On December 3, 2012, the United States Environmental Protection Agency (EPA) provided a final response to the above-referenced FOIA request. In the December 3 letter, and in a subsequent letter dated December 17, 2012, we indicated that the EPA is still compiling our final assessment of the costs involved for the request. We are continuing to process the costs and expect to provide the final costs sometime in early January 2013. As we have indicated in previous correspondence, in the letter containing the final costs, we will advise if you will receive a refund or an additional charge for the request, as appropriate.

This letter does not extend the appeal time frame provided in the letter dated December 3, 2012, which instructed you that you had to submit any appeal no later than 30 calendar days from December 3. In the letter containing the total costs, the EPA will provide an opportunity for you to separately appeal the final costs.

If you have any questions about this letter, please contact Michelle Marcu at marcu.michelle@epa.gov or (303) 312-6921, or Michael Boydston at boydston.michael@epa.gov or (303) 312-7103. If you are unable to reach Ms. Marcu or Mr. Boydston, you may contact Andrea Madigan, Supervisory Enforcement Attorney at madigan.andrea@epa.gov or (303) 312-6904.

Sincerely,
